7th March 2024

**COMMUNITY OUTREACH PROGRAM
WALKATHON FOR CANCER AWARENESS**

Dear Parents,

Greetings!

As part of our Community Outreach, we are offering an opportunity for the students of Grades X & XII to participate in a special initiative: A Walkathon to create cancer awareness on Saturday, 16th March 2024 at 8:45 am in collaboration with Tanisa Foundation.

Tanisa Foundation is a volunteer based, non-profit organization that is working in the field of cancer care for patients, survivors and caregivers.

For more information about our partner NGO, Tanisa Foundation please visit:

<https://www.tanisafoundation.org/>

During this Walkathon, the students will be performing a Nukkad Natak on Cancer Awareness at City Centre Mall and Galleria Market. It's mandatory for the students to participate in the Walkathon as a part of the SEWA requirement from CBSE.

The students will be accompanied by their parents, the staff of Ridge Valley School along with the volunteers from Tanisa Foundation to raise awareness about cancer, educate the public on prevention and early detection strategies, support cancer patients and survivors, and promote a sense of community among participants.

We request you to share this opportunity to show your support for the cause with your family, friends, and neighbours and motivate them to participate in the Walkathon.

Let's shine a light and spread hope: Join us in the fight for cancer awareness.

A certificate will be provided to all students.

Kindly fill the consent form below for your ward for this by 8th March 2024.
